

For our headquarter in Vienna we are looking for a

Service Logistician

(m/w/*) 50-100%

Join Anovis as Service Logistician at our location in Vienna. As Service Logistician you are responsible for smooth replacement and service deliveries and support our engineering team with IT/IP knowledge in hardware configurations and rollouts. As an extended arm of our engineering team during remote installations you contribute significantly to our customer satisfaction.

At Anovis, a leading managed service provider, you will benefit from regular professional exchange with your colleagues and specialists in the sister companies of the CymbiQ-Group. Our colleagues are what is most important to us, which is why we at Anovis pursue a modern and employee-centred corporate culture and have been honoured as a top employer on various sites (e.g. Kununu, CHIP, Great-Jobs.org).

Your responsibilities

- Handling of various shipping processes
- Basic configuration of our hardware components
- Incoming and outgoing inspection of our deliveries
- Continuous updating and maintenance of the Configuration Management Database
- Picking operations
- Interface between service desk, engineering and sales operations team

Your profile

- Completed technical or commercial education (forwarding merchant, IT apprenticeship, etc.)
- Independent and structured work style
- High social competence and good communication skills
- Hands on mentality
- Basic knowledge of IT network technology
- Good knowledge of German and English (at least B1 level)
- B driving license
- Beneficial:
 - Relevant professional experience
 - Basic knowledge in Windows client operating systems and user administration

- Numerous opportunities for participation and development, as well as a high degree of independence in daily work
- Gross annual salary 32.000-40.000€ (38,5h/week), based on the fulfilment of the job profile and the IT-KV
- Active promotion of work-life balance (including **up to 29 additional leave days**)
 - 6th week of annual leave
 - Flextime model without core time + 2 flex days/month
 - Reduced working hours (30-38.5 hours/week)
- Comprehensive training, internal and external further education, and promotion of individual development opportunities
- Joint celebrations in summer and winter, as well as regular team events & after-work parties

About Anovis

As part of the Swiss [CymbiQ Group AG](#), Anovis operates thousands of IT security systems for globally active companies worldwide in cooperation with renowned partners such as A1 Telekom Austria, T-Systems, British Telecom, Cisco and Barracuda Networks, Extreme Networks, Palo Alto, Airlock Proofpoint or Riverbed.

With our headquarters in Vienna and branch offices, we offer comprehensive services in the area of connectivity and security.

Our services range from conception and implementation to 24/7 operational management of globally distributed IT systems. Our experts work closely with our partners to develop flexible, forward-looking and cost-effective solutions that guarantee security and effectiveness and protect investments.

Anovis understands the IT infrastructure, network and IT security needs of customers and provides a highly skilled professional services and operations team to respond quickly and flexibly to ensure a customised, highly accessible IT infrastructure.

We explicitly encourage all people to apply regardless of gender, age, skin colour, sexual orientation, physical & mental abilities, origin or other protective characteristics.

We look forward to your application!
